## Reflections .....

Curious about the new on-line advancement process, 30 leaders representing 14 units attended the January Roundtable. Paul Dahnke, let us join Troop 10 on one of their recent adventures. As technology would have it, the great BSA computer in the sky decided to run back-up when Russ began his on-line advancement presentation. Undaunted and well prepared, he had hardcopy of the materials ready to go. We then grabbed the Camping Skills cards, and challenged each other to see who was smarter than a 5<sup>th</sup> grader. Doug B. then pulled out the old Scout gimmick bag to show us how much survival gear will fit into a 35mm film canister.

the next Twin Arrows Boy Scout Roundtable .....

**Thursday, February 11<sup>th</sup>**  
**7pm, Broken Arrow Church of Christ**

## "Geocache & Scouting"

Philip Hance, chair of the council's Geocache committee, will be giving us a prevue of this exciting, get 'em outside, activity. We'll see how the Geocache "game" works, and learn the rules of Geocache ediquette.

We'll also go out to several Geocache websites to discover some of the many opportunities and how to log-in our discoveries.

Yes, if you have a GPS by all means bring it along! You might learn a new trick or two.

## "the Forum"

Time permitting, we'll look at another one of the 1½ topics in the "possibles bag".

## Council Banquet & Eagle Scout Recognition

February 13, 2010

Renaissance Hotel

Twin Arrows District Scouters
